In front of a packed house at Queen's University's Jock Hartly Arena, the OUA Selects gave Team Canada all they wanted, but still came up short by a final count of 2-1. 1,900 hockey fans were treated to fine hockey display, with crisp passing, blistering shots and some uncanny goaltending by the OUA's Thomas Connerty (from The Royal Military College of Canada).

Canada jumped out to a 2-0 lead on goals by Warren Norris and Rhett Gordon, when the OUA answered with a goal when a scramble in front of the Canada net gave OUA forward Marcel Kars (from Guelph University) the chance he needed to close the margin to 2-1 in the 3rd period.

The 3rd period saw a Houdini-esque performance by Connerty as he stopped a strong Canadian charge with some astounding saves against 24 Canadian shots in a half-game appearance for the OUA. For his efforts, Connerty was named Player of the Game for the OUA, while team captain Peter Allen was similarly recognized for Team Canada.

Very physical at times, the OUA vs. Canada games was very clean and well-disciplined as only 6 minutes in penalties were called in the game.

Team Canada move down Highway 401 to meet another team of OUA Selects drawn from the Ottawa-Quebec university region tomorrow (Wednesday, January 12th, 2000) in Montreal. While the same day in Kingston, see Queen's and RMC renew their rivalry in the 14th annual Carr-Harris Cup in Jock Hartly Arena.
